CITY IMPROVEMENT TRUST BOARD
MYSORE

CONFIDENTIAL. Date 10th December 1948.

No.PC. 410

My dear Sri Chengalaraya Reddy,

I write to state that my term of office as President of the Mysore City Municipal Council terminates on the 31st December 1948. I have been nominated by name(and not ex-officio as Chairman of the Mysore City Improvement Trust Board, Mysore, and the period as Chairman extends upto 13th April 1949. I remember your kind remarks some time ago, that the Municipality and the Trust Board should be bifurcated completely and the Chairman of the Trust Board and the President of the Municipal Council should be two separate individuals discharging their duties and exercising powers indpendently of each other If the two have to be bifurcated completely, we have to take necessary steps from now onwards so that a separate office building has to be fixed up and some arrangements for car conveyance for the Chairman has got to be arranged for, in as much as the car that has been purchased is entirely of the Municipal Council and not of the Trust Board. It is not possible for me to go in for a car for a period of 4 months, at my own cost and continue as Chairman of the City Improvement Trust Board,

2) Under the circumstances, I would request you kindly to intimate whether I should try to terminate my office as Chairman by the end of December 1948 or continue till the middle of April 1949 with separate office. May I also request you in this connection to kindly intimate me if it is possible for the Government to sanction from the Trust Board, funds for purchasing a small car for the use of the Chairman of the City Improvement Trust Board, fixing up some period and honorarium.

3) I am taking this liberty of addressing this personal letter so that I might know your kind views in the matter and then move the matter formally if necessary. I shall be glad to act according to your wishes in the matter and I am not

PTO

anxious to continue as Chairman of the Improvement Trust Board, if the Government should consider that the two offices should be taken up by one and the same individual. I shall be glad to send in my resignation at the end of December 1948 so that the Government may not be placed in any inconvenient position, since my term of office as Chairman is till the middle of April 1949.

I solicit a line of confidential reply in the matter as early as possible.

With regards,

Yours sincerely,
